Year 1 Homework Autumn 2

We have put together some ideas you could use to help support your child's learning at home. All of the activities suggested on this page will help consolidate your child's learning from last half term.

Thank you for your support ☺

Maths

- Practise writing and ordering numbers to 20. Can you challenge yourself to do numbers to 50?
- Learn to quickly recall 1 more/ 1 less than a given number.
- Practise adding and subtracting single digit numbers using real objects or by counting on or back on your fingers.
- Choose 2 numbers and compare them using the vocabulary 'greater than' or 'less than'
- Go on a measurement hunt. What can you find that is heavier than an object? Lighter? Longer? Shorter? Taller? Can you compare them?

PE

- Show your adults what pocket to socket means when you throw a rugby ball.
- Play a game of tag to help develop your awareness of space.
- Keep practising getting changed as quickly as possible. Can you dress yourself in the morning?
- If you have shoe laces can you learn to tie them yourself?

Computing

If you have an iPad at home, practice opening and closing apps and taking clear photographs.
Make a Treasure Chest poster of all the things we keep safe online. Remember the 5 actions: name, address, school, age, phone number.

Topic

- Sing Heads, Shoulders, Knees and Toes. Can you create your own version using different parts of the body? How many body parts can you label?
- Make a Neil Armstrong poster. What information can you include?
- Draw a map of your local area and label all its features.

English

- Sing the alphabet song. Can you say all of the letters clearly? Can you finish the alphabet when you start at a random letter?
- Practise writing our secret c letters. Remember how we form our c o a d g q. Think about how they sit on a line.
- Create your own alien puppets and use them to make up your own story. Can you write your story using capital letters, finger spaces and full stops?
- You could plan your story using the 5 finger plan.
- Play games to match capital letters with their lower case letter.

Phonics

Remember to keep practicing the tricky words in your reading diary. We will assess these again at the end of half term. Tricky words are words which cannot be sounded out and we have to learn by sight. Have a go at some of the 5 minute challenges which you will find in your reading diary.

Reading

Don't forget to read every evening for around 10 minutes. Remember to talk about the story and try and predict what might happen next. Can you spot any clues in the pictures or text?
