

PE AND SPORT PREMIUM FUNDING FOR PRIMARY SCHOOLS (2016-17)

Ashleigh PE Policy Statement

At Ashleigh Primary School and Nursery we believe that Physical Education (PE), experienced in a safe and supportive environment, is a unique and vital contributor to pupils' physical development and well-being.

WHAT IS THE 'P.E AND SPORT PREMIUM FUNDING?'

'PE and Sport Premium Funding is designed to help primary schools improve the quality of the PE and sports activities they offer their pupils.

Schools receive funding based on the number of pupils in Years 1 to 6.

Schools must spend the funding to improve the quality of the PE and sport activities they offer their pupils, but they are free to choose the best way of using the money'.

(source: Department for Education website)

As a result of the additional funding the school aims to:

- Improve the quality and breadth of PE and sport provision
- Increase pupils' participation in PE and sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of

HOW MUCH DOES THE SCHOOL RECEIVE?

Total amount of Pupil Premium Grant		
Financial Year	Number of pupils eligible for PE and Sport Premium funding	Allocated budget
2016 - 17		£9900

Key focus areas for 2016 - 17
<p>Our approach will be to continue to develop the successful areas from the previous year and to introduce new opportunities for our pupils:</p> <ul style="list-style-type: none"> • Increasing the number of opportunities for our pupils to work with specialist PE coaches – karate, Capoeira, dance, athletics, Skip2Bfit, tennis based on assessments and areas identified by staff • Developing the range of after school clubs, to include archery, football, dance, gym, tri golf • participation in cluster events, competing against other schools – Sports Hall athletics, Gymnastics, Cross Country, Rugby • linking with other schools to develop Cluster partnership work in PE • supporting PE staff to attend sporting events through overtime payments and travel expenses – Gym. Hockey, Yoga, tri Golf, cricket • Use of specialist facilities (UEA) for Key Stage 2 sports day programme – Year 3 are using the Athletics Track and facilities • School to gain Bronze Sainsbury’s School Games award • PE subject leader met with Wymondham High Academy (WHA) PE department to develop links and opportunities – pupil from (WHA) supported Gymnastics After School Club • Strengthen links between school and local outside clubs e.g. Wymondham town Football Club, Wymondham Rugby Football Club, Eska, Wymondham Tennis Club • Provide opportunities for Gifted and Talented pupils • Provide opportunities for children who are reluctant to participate in physical activity

WHAT HAS BEEN THE IMPACT OF THE PE AND SPORT PREMIUM FUNDING?

At Ashleigh we have been able to provide a wide range of opportunities for our children in PE and Sport. Our grant has enabled our children to:

- Participate in sports which they can continue at home – SKIP2beFit – there has been an increase of children skipping at lunchtime and break time. 110 skipping ropes were purchased.
- All children in Key Stage Two have participated in Intra house sport competition
- 30% of Key Stage Two children have participated in a Cluster Sporting Event

In addition to the grant, we also had the opportunity to have some coaching from Leicester Tigers Rugby Club, for Years 3 and 4, which linked Numeracy to rugby. The children loved it!

Academic Year 2016-17			
Key developments	Cost	Objective	Impact / Outcome
Employment of specialist sports coach: Karate £675 Capoeira £996 Dance £600 Athletics £720 Skip2Bfit £380 Born to Move £50 Fiitball £150 Tennis £390	£3961	Improving breadth and quality of PE and sport provision To provide high quality PE for all pupils in Key Stage 1 and 2 and allow staff to observe and develop their own PE teaching.	<p>Karate (Year 2) All children were enthusiastic. They enjoyed the warm ups. They also learn to count in Japanese! They learnt to be disciplined and use control which can be used in other sports and other areas of the curriculum. The children wanted to do more weeks.</p> <p>Capoeira (Year 4) All children were engaged and enjoyed this sport.</p> <p>Dance (Year 1) Children were very engaged. Children worked hard and developed their co – ordination and balance. Teamwork and communication was vital during the choreographed dance.</p>

Teachers gained more confidence to plan and deliver dance. It also allowed teachers to observe and assess the children and plan for future lessons.

Children who do not enjoy PE were engaged and gave them an opportunity to try another sport.

The children commented that it was the best PE lesson they had ever had!

Athletics (Year 3)

LA children are excelling at running

Staff commented on the collaboration in the lessons and links to BLP

Skip2Bfit – Key Stages 1 and 2

More skipping at break and lunchtimes.

Skipping included in PE lessons.

110 skipping ropes were purchased by children

Classes are tracking their progress and trying to improve their scores.

Skipping ropes now available at playtime and lunchtime

Children using big skipping ropes to skip together.

Feedback from School Council –

What did you think of the skipping?

“Good” “I loved it!” “Brilliant!” “The skipping ropes counted for us. That is cool!” “I’m trying to beat my score” “I am skipping at home now” “My dad is skipping”

Feedback from Staff –

“Just wanted to say again how fab I thought the skipping was - thank you!”

‘It was a great day’

‘The skipping morning with John was fab! We have decided to do skipping as our Thursday PE session each week and at the end of the session we do the 2 minute challenge and record scores. ‘

'The children are skipping at playtime and lunch time and one boy in my class said 'skipping is my favourite PE.'

'The skipping was great, boy's as well as girls seemed to enjoy it. John really hyped the skipping up, the music was upbeat and just made you want to do it. I loved the assembly, again really positive, created a bit of competitiveness between some staff but in a positive way. I took my rope out at playtime today, lots of children skipping great fun!!! Children wanting to beat the pb!'

'I think the skipping session was delivered really well. John really clearly delivered the message about being the best you can be and that to make progress you need to try the best you can. This will link in nicely with 'Growth Mindset' & 'BLP' which we have been talking to the children about. In year 3 we are intending on using the skipping as part of our starter in PE with the aim that the children try to improve their number of skips each week.'

'I loved the day, from a teaching perspective I loved that the emphasise was never on being a good skipper, but rather on being great at trying to skip... It was also very important that children saw how their teachers also had to 'beat their score' and saw how hard we tried to better our first attempt. There was such a sense of pride and "Look I scored more this time!" It got the whole school talking and motivated to skip.'

'I thought it was a fun and motivating session that linked well to our BLP.

It was great for children to see their teachers get involved and challenge themselves too.'

			<p>Quotes from the children- "I beat my personal best! It was really fun!" "I didn't think I liked skipping but I do."
