

Maths

- Can you order the days of the weeks, and months of the year?
- Can you describe the weather in the different seasons?
- Can you find examples of squares, rectangles, triangles, pentagons, hexagons and octagons around your house?
- Can you learn all the pairs of numbers that total 10? (Number bonds to 10)
- Can you practice counting in 2s, 5s and 10s?

PE

Can you practice skipping at home?

Our Year 1 skipping challenge is to jump on 1 leg, 3 times in a row and then swap legs and do it again.

Computing

Can you practice taking photographs on a tablet or iPad if you have one at home? Make sure everything you want in the picture is on the screen before you press the button.

Year 1 Homework Spring 1

We have put together some ideas you could use if you would like to support your child's learning at home. All of the activities suggested in this document will help consolidate your child's learning as we have covered these objectives during the autumn term. Thank you for your support 😊

Topic

- **Can you design a scarf to match the hat you made in school?** Think about the properties it will need to have. Maybe you could have a go at making it.
- **Can you make your own pictures inspired by the artists Mondrian and Bridget Riley?** Think about the colours and shapes they would use in their pictures.

English

- **Can you read different poems and spot the adjectives used?** (Adjectives are describing words)
- **Can you write a letter to a friend or family member to tell them what you have been learning at school?**
- **Can you write a book review of a book you have recently read?**
- **Can you write facts about different nocturnal animals?** Make sure you use a capital letter at the beginning of the sentence, finger spaces between each word and full stop at the end.

Phonics

Look out for a page stuck inside your child's reading record. This will specify which tricky words your child needs to practice reading and spelling. You will also receive a sound mat to tell you which sounds your child needs to work on.

Reading

Don't forget to try and read every evening for around 10 minutes. (A document including questions to ask your child during reading can be found in the Year 1 section of the school website.)
