### Homophones and near-homophones

Homophones are words that sound the same but are spelt differently.

It is important to know the difference in meaning between the homophones. We will use these words in a sentence to help you work out which spelling to use. Get an adult to do this to help you learn the different spellings and meanings for these similar sounding words.

Helpful tip!

Look at the word, cover it over, write it (don't peek!) and then check.
