

## Maths

- Can you tell the time when it is o'clock or half past the hour?
- Can you solve problems involving time? E.g. Ross started swimming at 2 o'clock. He was swimming for 1 hour, what time did he finish?
- Can you say the months of the year in order?
- Can you solve problems involving the days of the week? E.g. Which day comes before Tuesday?
- Can you practice solving addition and subtraction number problems.

## PE

**Can you practice skipping at home?**

Our Year 1 skipping challenge is to jump on 1 leg, 3 times in a row and then swap legs and do it again.

## Computing

**If you have an iPad, can you practice adding pictures and text on the app PicCollage?** This is a free app we use in school. You could make a PicCollage about something you did at the weekend.

# Year 1 Homework Spring 2

We have put together some ideas you could use if you would like to support your child's learning at home. All of the activities suggested in this document will help consolidate your child's learning as we have covered these objectives during the autumn term. Thank you for your support 😊

## Topic

- **Can you design a toy for a younger child?** Think about the properties it will need to have. Maybe you could have a go at making it.
- **Can you use your sewing skills to make another toy?** You could use some felt and practice your running stitch.
- **Can you find a game played in another country?** Maybe you could learn the rules and teach a friend.

## English

- **Can you write a new adventure for Emily Brown and Stanley?** You could draw some pictures and turn your story into a book. Make sure you use a capital letter at the beginning of the sentence, finger spaces between each word and full stop at the end.
- **Can you write a book review of a book you have recently read?** We love to read these in school.
- **Can you practice forming your letters correctly?** Make sure the tall giraffe letters have tall necks and cheaky monkey tails sit under the lines.

## Phonics

Keep working on the tricky words inside your reading record. Try writing them in sentences and look out for them when reading books.

[www.phonicsplay.co.uk](http://www.phonicsplay.co.uk) has some brilliant games to help you practice the sounds we learn in phonics.

## Reading

Don't forget to try and read every evening for around 10 minutes. Make sure you talk about what you have read and see if you can ask each other questions about the book.
