

Please have a try at all of the spellings below.

There are often spelling rules to help us remember how to spell words
(there are often exceptions to the rules-the english language is very tricky!)

Suffix- ing, ed, est or er

- If a word ends in a y often we change it to an 'i' then the suffix
- If a word has a short vowel sound and one consonant we double the final consonant and then add the suffix
 - If the word ends in an 'e' take it off and then add the suffix
 - Just add the suffix
 - And sometimes there are words that break the rules!

Helpful tip!

Look at the word, cover it over, write it (don't peek!) and then check.
