Respect and tolerance – what do we do?

- Promote respect for individual differences
- Help pupils to acquire an understanding of, and respect for, their own and other cultures and ways of life
- Challenge prejudicial or discriminatory behaviour
- Organise visits to places of worship
- Develop links with faith communities
- Develop critical personal thinking skills
- Discuss differences between people, such as differences of faith, ethnicity, disability, gender or sexuality and differences of family situations, such as looked-after children or young carers
