

School Council Development Plan

Priority One - To develop an Interactive Wildlife Area

Priority Two - To reward good role models in the Dining Hall

Priority Three - To develop an outdoor Reading Area

Intended Outcomes	Actions	Who	Resource/Time	Timescale	Monitoring	Evaluation
To make the Wildlife Area more interactive and further learning	To build a bug hotel To have resources to investigate and learn about the different things which they may find RSPB website	LC and School Council	Pallets, wood, straw, leaves, plant pots, bark, pine cones, sand	December 2016	Mrs Roberts took KS 2 School Council children to build the hotel on two afternoons. This is an on going project and will need looking at later in the year when it has become established.	Children really enjoyed building this and told us all about it in our meeting.
To reward good role models, in our Dining Hall, at lunchtime	To have a special dining table on a Friday for those children identified as being a good role model. Identified and invited by Mrs	LC and School Council	£30	January 2017	Shared in Assembly January 2017, in the new year. The Gold Table is now happening. One child from each year group is given a 'Golden	This has been a success and the feedback from children is that they enjoyed being on the Gold Table and felt proud.

	Dumbrell and Teachers Decorations to be purchased				Ticket' and invited to sit at the table, on a Monday, with a friend.	
To develop our Outdoor Reading Area	Design and paint a Story Telling chair Purchase a box and books to suit all age groups	LC and School Council	£150	Spring 2017	Had contact with Ketts Books and they have given us some resources.	Due to building and grounds work, we have postponed this until next summer.
