

Topic

Our topic lessons this term will have a strong focus on design technology. After we have got to know the story of a Midsummer Night's Dream better we will spend time looking at scenery from the play and designing our own mini theatres.

A Midsummer Night's Dream

We will learn the story of 'A Midsummer Night's Dream'. We will visit the woods to perform scenes from the play and develop the script to create our own Ashleigh version of the play!

R.E

This half term the children will be learning about Hindu beliefs and traditions. They will consider what it means to believe in an omnipresent God with many different forms. They will also learn about Hindu worship (puja). Throughout this unit, there will be many opportunities for the children to reflect on their own beliefs.

Things to look forward to...

We have our trip to Stag Lane on Tues 5th June which we are all very excited about.
On Weds 12th July we are visiting Wyndham High School to meet the Year 9 pupils who, having read our letters, have written stories for us.

MFL

This term, the children will learn to talk about their families. They will also learn the French names of different foods.

Music

As part of this topic the children will learn a number of songs for our end of term performance.

PE

Athletics (Wednesday)
Tennis / Rugby (Thursday / Friday)

A Midsummer Night's Dream

Computing & E-Safety

We will revisit how to stay safe on the internet. The children will design and write programs to achieve specific goals, including solving problems.

Science

Weekly science lessons will focus on Light. The children will spend some time understanding the importance of light to help us see. They will think about what makes a source of light before sorting various items. They will then look at how light can be reflected off different materials before designing and experimenting with shadow puppets to show how light can be blocked by an opaque material.

Literacy

Recount: The children will write a recount of their exciting trip to Stag Lane Junior School.

Narrative: As part of getting to know the story of Midsummer Night's Dream we will spend some time exploring the scenery and characters. This will give another opportunity to develop our descriptive language.

Play scripts: As the children learn the story of A Midsummer Night's Dream, they will write character studies and develop ideas for their own plays.
