

## Investigation Stations

Can you make your superhero fly? Magnet experiment – look out for this on Tapestry ☺

Design your own superhero.

Make a superhero comic strip.

For the first 3 weeks of this term we will be learning all about Superheroes. Now, we know Superheroes are fictional characters but we all know some real life 'heroes' too, so we will be exploring both!

We will use lots of different stories to help us to develop our vocabulary to describe superheroes as well as using these new words in our writing too! We will even take a look at Superhero comics to explore different ways of telling stories!

We will think about people who are 'heroes' in our lives and why, what they do to help us and the jobs they have.

During this topic, it is Book Week. In this week, we will be sharing our favourite stories, dressing up as our favourite characters and talking about the books we like.

## Questions to Ask

What is your superhero called?

Where does your superhero live?

What does your superhero look like?

What does your superhero do?

Who is a superhero in your life? Why?
