Message from the Chair of Governors

Firstly, by way of introduction, I am the new Chair of Governors having taken over from Melissa Marfleet-Collins a few weeks ago. I would like to add my thanks to Melissa for her outstanding contribution to Ashleigh over the last few years. I did not think at the beginning of this academic year that I would be the Chair of Governors by the end of it or that we would have to navigate ourselves through a global pandemic during it.

The challenges that this academic year has presented the school, staff and children have been unprecedented. What has not been unprecedented is the commitment and hard work that all the staff have put into meeting these challenges. This commitment and hard work should not be taken for granted and I want to take this public opportunity, on behalf of the governing body, to thank them all for all they have done.

It is also important to acknowledge the overwhelmingly positive way in which the children have coped with the challenges this year and the fantastic support that has been provided by parents and carers with home learning and the transition, for those pupils who have returned, back into school. It is unfortunate that the current year 6 cohort have not had the end to their time at Ashleigh as was expected but we wish them well in their transition to secondary education.

It is clear that the challenges of covid-19 are not over and will continue into the next academic year and, potentially, beyond. The school have put in place robust plans for the next academic year to deal with the transition back into school for all children and these plans will be continually reviewed in light of the ever-evolving guidance that is published. Please be assured that central to these plans is the unwavering commitment of all staff to provide a safe, secure, and happy place to educate the children and provide a safe place to work for staff.

Whilst the future may be uncertain for various reasons, I am convinced that the staff at Ashleigh are in the best possible position and have all the right abilities to steer the school through the challenges ahead. In the meantime, enjoy the summer break and we look forward to welcoming the children back in September.

Sam Greenhalgh
Chair of Governors

Year 6 Goodbye & Good Luck!

This week we have said goodbye on Tuesday and Friday to our Year 6 children. It was obviously very different to how we would normally say farewell but we hope they enjoyed the socially distanced mini-festival, and all the leaving activities. Wear your Ashleigh leavers t-shirt with pride, you have all been Ashleigh Stars and we wish you all the very best as you move on to High School in September, you will be amazing!

Safeguarding & Online Safety

At a time when children are likely to be spending increased time online for learning and keeping in touch with friends, you may find these useful:

- The county-wide safeguarding campaign – **See Something, Hear Something, Say Something**.
- Neighbours, extended family, those working to provide essential services and volunteers are encouraged to look out for the county's children, as the coronavirus lockdown continues.
- The campaign, backed by the Norfolk Safeguarding Children Partnership, is calling on communities to help keep Norfolk's children safe. It is asking for everyone that might still be seeing or hearing children to look out for them. The message is See Something, Hear Something, Say Something.
- Signs to look out for may include:
 - aggressive or repeated shouting
 - hearing hitting or things being broken
 - children crying for long periods of time
 - very young children left alone or outdoors by themselves.
- If something doesn't seem right and if you feel a child or young person may need help you can contact the council on 0344 800 80 20.
- In an emergency call 999.
