

# Year 1

## Summer 2 Homework Activities

### Blue planet

- Read stories all animals and their habitats.
- Could you create a fact file about an animal?
- Recall facts about animals to share with us at school.
- Practise counting in 2s, 5s, and 10s. Can you start at a different number and count on?
- Practise telling the time at home.
- Makes equal groups using objects from home to show different multiplications/divisions.
- Draw your favourite animal from the zoo and label its body parts.
- Research an endangered animal and write a fact file about it.
- Sort different animals into their groups (reptiles, amphibians, birds, mammals, fish).
- Make your own clock.
- Find 5 toys. How many different ways can you order them?
- Create your own 100 square.

These are activities that you may choose to complete at home over the course of this half term. They are not compulsory.

If you do choose to complete a homework activity, please bring it to school and we will aim to find time in the day to share it with the class.
