

Yr 4 Homework Activities from Monday 7<sup>th</sup> September – Wednesday 21<sup>st</sup> October

## The Planet Protectors

- Write a character description of The Iron Man, Hogarth or the space-bat-angel-dragon.
- Create a story board of The Iron Man.
- Design a menu for The Iron Man- use lots of adjectives to describe each dish!
- Write a poem based on the space-bat-angel-dragon.
- Write a book review of The Iron Man.
- Create a fact file about waste management, fossil fuels or climate change.
- Design a poster to encourage people to Reduce, Reuse and Recycle.
- Find an interesting way to present the water cycle to the class. It could be a poster, poem, video, model, piece of artwork or an information page.
- Reuse items- invent new ways to reuse old items and packaging. Share your ideas and creations in class.
- Find some ways to Reduce, Reuse and Recycle at home. Share your efforts with the class.
- Complete a survey of how many electrical items you use in your house over a week. Where could you save energy?

These are activities that you may choose to complete at home of the course of this half term. They are not compulsory.

If you do choose to complete a Homework Activity, please bring it in and we will find time that week to share it with the class. All completed homework will be published on our SeeSaw blog!

Any electronic homework (videos, PowerPoints etc) can be emailed to the office with a request to forward them on to the class teachers.
