

Year 4 Curriculum- Autumn Term (Weeks 1 and 2)

This year, we are moving away from topics and teaching subjects discreetly. We will be teaching Science, Computing, Music, PE, Art and RSHE weekly during the Autumn term. For the first few weeks, we are focusing on Geography.

Later in the term we will replace Geography on the timetable below with History, DT and RE.

Monday	<u>PE</u> Netball	<u>French.</u> The alphabet / French phonics	
Tuesday	<u>Geography</u> Why are rainforests to wet? Why are people destroying rainforests?	<u>Science</u> Animals and their habitats.	
Wednesday	<u>PE</u> Outdoor and Adventurous Activities - Teamwork - Trust - Draw and follow a simple map - Follow a route using directions	<u>Geography</u> Why are rainforests to wet? Why are people destroying rainforests?	
Thursday	<u>R.S.H.E</u> Keeping safe (e-safety)	<u>Geography</u> Why are rainforests to wet? Why are people destroying rainforests?	
Friday	<u>Science</u> Animals and their habitats.	<u>Music</u> Maple class - Ukulele	<u>D.T.</u> Elm class – Shell structures
